Democracy and Governance in Africa | Democratization in
It was pointed out also that democracy in Africa has been badly hindered by the state's control of the economy; this has meant that the only way to get rich has been through political office, intensifying the problem of corruption, and inducing leaders to cling to political power. This has been disastrous for the economies in African countries. Thus, economic liberalization, empowering ...

South Africa holds local polls set to challenge the ANC
01/11/2021 · South Africa holds local polls set to challenge the ANC Monday, November 01, 2021 An early voter casts her ballot at the Mklomelo Secondary school in Folweni near Durban, on October 30, 2021. Photo credit: AFP. By AFP. What you need to know: The historic ANC is no longer basking in the glory of its struggle against white-minority rule, which ended with Nelson Mandela's election in 1994. ...

Transitions to Democracy in Africa | Democratization in
Participants recognized that in many African countries the institutions of civil society and democratic government are weaker today than they were in the immediate postindependence period, making the transition to democracy a daunting challenge. Some argued that, in order for democracy to succeed, power must shift from authoritarian and military rulers to leaders who would be representative of ...

The challenge of language in post-apartheid South Africa
22/03/2018 · With the successful institution of a system of universal adult suffrage in 1994, as South Africa moves cagily forward towards the consolidation of democracy and social justice, the legacy of the apartheid era in other dimensions of social life, which could in future compromise the gains of the present, will need increasing attention. These other dimensions include, prominently, the areas of ...

Democracy - Wikipedia
Democracy (Greek: δημοκρατία, démokratía, from dēmos 'people' and kratos 'rule') is a form of government in which the people have the authority to deliberate and decide legislation ("direct democracy"), or to choose governing officials to do so ("representative democracy"). Who is considered part of "the people" and how authority is shared among or delegated by the people has
